SUBJECT: END USE, SECURITY, AND RETRANSFER AGREEMENT WITH
THE ECONOMIC COMMUNITY OF CENTRAL AFRICAN STATES (CEEAC)

REF: A. 09STATE108057
[1B.](#) 09STATE109276

SUMMARY

[¶1.](#) (U) This is an action request (see paragraphs 2-5). The Department requests Post provide appropriate Economic Community of Central African States (CEEAC) officials with the proposed text for a Section 505 agreement. Section 505 of the Foreign Assistance Act of 1961, as amended, requires that the USG obtain end-use, security, and retransfer assurances from foreign governments and international organizations before furnishing them with any defense articles, related training, or other defense services on a grant basis. The United States and the CEEAC have not yet entered into an agreement satisfying this requirement. End Summary.

ACTION REQUEST

[¶2.](#) (U) The Department requests Post present appropriate CEEAC officials with the proposed text of an agreement (provided at paragraph 7), using talking points provided in paragraph 6 to explain the legal requirements and encourage CEEAC to enter into an end-use, security and retransfer agreement.

[¶3.](#) (U) Post should present the draft reply diplomatic note (paragraph 8) that, if presented by CEEAC to the USG, would bring the agreement into force.

[¶4.](#) (U) Post should seek Department guidance if the CEEAC Secretariat proposes a reply that departs from this approach or in any way rejects the conditions set forth in the U.S. note.

[¶5.](#) (U) The text of the reply should be transmitted via cable slugged to PM/RSAT, PM/PPA, AF/RSA, AF/C, AF/S, L/PM, and L/T. Please pouch the original/original note together with a certified copy of the Embassy's note, to L/T (Rm. 5420, HST Attn: Daphne Cook) via registered pouch, and include the pouch registration number in the cable. To expedite the review of any exchange of notes, Post should fax or e-mail copies of the notes as soon as possible to Daphne Cook, unclassified fax: 202-647-9844.

End Action Request.

Talking Points

16. (U) Post is requested to draw on the talking points below when presenting the proposed agreement to CEEAC:

-- The USG is prepared to provide defense articles and defense services to the Economic Community of Central African States. A U.S. Presidential Determination recognized that "the furnishing of defense articles and defense services to the Economic Community of Central African States (CEEAC) will strengthen the security of the United States and promote world peace."

-- In order to be eligible under U.S. law to receive potential assistance, CEEAC and the U.S. Government must enter into an agreement regarding the end-use, security, and retransfer of any such articles and services.

-- We have prepared a draft text that satisfies this legal requirement. This is the standard agreement that we have reached worldwide with other recipients of U.S. grant defense articles and services.

-- The agreement says in effect that CEEAC pledges to use the articles and services for the purposes specified, and that CEEAC will not transfer or dispose of the equipment or technology without advance written permission from the United

States government.

-- In addition, these end-use assurance agreements are an integral part of preventing the proliferation of small arms and light weapons, which CEEAC members also support.

-- We hope CEEAC will find this text acceptable and be able to reply with the proposed draft response, which would enter the agreement into force.

Agreement Text and Reply Diplomatic Notes

17. (U) The following text should be presented to CEEAC via diplomatic note:

The Embassy of the United States of America presents its compliments to the Secretariat of the Economic Community of Central African States and has the honor to refer to earlier discussions between the United States of America and the Economic Community of Central African States regarding grants under the Foreign Assistance Act of 1961, as amended, or successor legislation, and the furnishing of defense articles, related training, and other defense services, from the United States of America to the Economic Community of Central African States.

¶D. That the Economic Community of Central African States shall maintain the security of such defense articles, related training, including training materials, and other defense services; that it shall provide substantially the same degree of security protection afforded to such defense articles, related training, including training materials, and other defense services by the Government of the United States of America; that it shall, as the Government of the United States of America may require, permit continuous observation and review by, and furnish necessary information to, representatives of the Government of the United States of America with regard to the use thereof by the Economic Community of Central African States;

¶E. That the Government of the United States of America may also, from time to time, make the provision of articles and services furnished under other authority (except the United States Arms Export Control Act) subject to the terms and conditions of the agreement proposed herein. (Transfers

under the United States Arms Export Control Act shall continue to be governed by the requirements of that Act and United States regulations applicable to such transfers.)
